

ACCIDENT INSURANCE

This is not included in the fees, and Units should come prepared with Scout Medical Forms (available at Camping Office) for Emergency Medical Treatment and their policy information. The Arrowhead Community Hospital is near to camp, and of course basic first aid will be available in camp.

LIMITED SPACE

Don't get left out in the cold. Space is limited to cabin accommodations and dining hall capacity. Additional reservations can be accepted from a Unit only if space is still available. We anticipate being SOLD out on most weekends. Early reservations are imperative to avoid disappointment.

WINTER CAMP 2008

FOREST LAWN SCOUT RESERVATION

Looking for a real program highlight for your Cub Scout Family Plan now and make reservations for the 2008 Forest Lawn Winter Camp.

Arrowhead during the Winter is beautiful, and we almost always have snow. If we don't, we still have a program of Winter Camp Activities that are great fun.

WINTER PROGRAM

Winter time theme activities will be provided by our camp staff as well as winter time crafts appropriate for Cub Scouts or Boy Scouts depending on the weekend you choose to attend.

WHATS INCLUDED?

Meals: Four Meals are served in the New Dining Hall beginning with a hot lunch on Saturday and ending with a sack lunch upon Sunday noon departure..

Sleeping accommodations: heated cabins with bunks and mattresses.

[The camp reserves the right to assign quarters so all units can be accommodated.]

Program: Activities for Cub Scout / Boy Scout age youth.

Snow Equipment: We cannot guarantee snow, but will provide for all boys snow sliders that seem to work best on our terrain and snow conditions and allow the most fun for all.

TRADING POST

A small trading post provides snack items and craft material.

ARRIVAL & DEPARTURE

Units should **NOT** plan to arrive at Forest Lawn Scout Camp **prior to 11:00 A.M.** on Saturday. The Camp Ranger will meet you at the entrance to the Forest Lawn Scout Reservation. A parking area is available at the entrance for putting on your tire chains. Units should plan to leave camp Sunday at noon.

WHAT TO BRING

You must bring your own bedding:

Sleeping Bags, blankets, pillows, etc.

Toiletries:

Towels, soap, shampoo, toothbrush & paste

Winter clothes:

Gloves, hats, coats, boots

Personal items:

Flashlights, alarm clocks, etc.

ADULT LEADERSHIP

PARENTS MUST SUPERVISE THEIR OWN CHILDREN.

Camp staff is not responsible for supervision of your children. Please note that many Winter Camp Activities may be too demanding for children below scouting age.

CAMP STAFF

A Camp Staff is provided to assist with the necessary support, facilities and food services. They are not responsible for providing Troop Leadership or Supervision.

CAMP PATCH

Each participant will receive an attractive Winter Camp patch.

HEALTH & SAFETY

We do not permit the use of toboggans or plastic sheets at Winter Camp. The best sleds for terrain are inner tubes.

All Cars transporting boys to camp must have **Tire Chains** available. Snow and ice conditions exist almost every weekend on the three miles of camp road, and if they don't, they may very well exist by departure time. Of course, we will plow the road, but "BE PREPARED". Regular tour permit requirements prevail.

VEHICLES MUST HAVE CHAINS AVAILABLE TO ENTER THE CAMP ROAD.

One vehicle can block everyone on entry or exit! State Law requires vehicles traveling in mountain areas to carry chains.
