# Fall Conclave

With summer drawing to an end as the leaves change, you may be asking yourself "what is there to do in the OA during the fall?" As a matter of fact, fall is one of the most exciting times in the Order of the Arrow. After all the fall conferences and our awesome section conclave, there is one more event to close the fall. This, of course, is our Fall Conclave. This year's conclave marks the one-year anniversary of our lodge, and we will be celebrating in a worthy fashion. Not only will we have training at this conclave like always, we will have our lodge annual banquet and awards ceremony and the lodge officer elections. In addition to that, the Central Region Chief Ricky Angeletti will be present to talk about some awesome new opportunities within the OA, as well as sharing in our brotherhood. This is an event you are not going to want to miss, so be sure to sign up soon on the Bay-Lakes council website. We hope to see you all there!

# Chiefly Thoughts

In the Order of the Arrow, fall is one of the best times to become active. Whether it is getting involved with a ceremonies team, becoming a part of the lodge or chapter leadership, or even attending your first chapter event, there is so much to do and be a part of. Fall is also a great time to bring scouts from your troop to chapter meetings and get them involved in the OA if they are not already involved. Aside from getting involved with things, there is another part about this fall that makes it so special. With next summer being the 100th anniversary of our Order, this fall is especially unique in that it will see all of the centennial programs starting to begin, and all of the lodge planning for NOAC also be taking place. To reiterate what I said in the beginning of this note, this fall is a really great time to get involved with the order, especially since it is the fall leading into our centennial anniversary. I am so very excited for all that is going to happen with the lodge and the order this fall, and I hope you are all able to be a part of it as well. Have a great start to summer, and I hope to see you at section conclave!

# National Leadership Seminar and National Lodge Adviser's Seminar

Hey Arrowmen!

Scouting constantly provides us with opportunities to form us into better servant leaders for our peers. Throughout all the various leadership positions in your troop and the OA, we are able to learn valuable skills to carry us forward in life. Unfortunately we do not all become leaders by just accepting a leadership position. It takes time and training by other great leaders and mentors. Fortunately, the OA has one of the best leadership training seminars available to young people in the country, National Leadership Seminar!

## What is NLS, and Why Should You Go to it?

NLS is a weekend-long conference with Arrowmen from all over the Region meeting to become better leaders. It is intended primarily to enhance the leadership skills of the Order of the Arrow's key youth and adult members as they seek to improve their services to the Boy Scouts of America and the greater community. The weekend format is designed to complement the longer, more detailed Wood Badge and Junior Leadership Training Programs. Near the end of the seminar, participants make a contract with themselves to apply the skills studied in the seminar on projects in their lodge, council, and community. You should attend because you will learn what a leader must BE, KNOW, and DO. NLS is coming to Wisconsin this year to the Salvation Army Wonderland, Camp Lake, WI on OCTOBER 10th-12th, 2014. To register for National Leadership Seminar or National Lodge Adviser Training Seminar, visit [www.central.oa-bsa.org](http://www.central.oa-bsa.org)!

If you have any questions about NLS or NLATS (a separate adult advisor training), please don't hesitate to email me! It really was a great experience for my friends and I when we went.

## Lodge Adviser's Minute– What's all the flap about?

Kon Wapos Lodge is approaching our 1 year anniversary. It's been a busy year of changes and new opportunities. I'd like to invite all of you to join us for our Fall Conclave at Bear Paw in October to celebrate our first year as Kon Wapos Lodge. Our focus will be on fun, fellowship and food. We'll mix in a little training, too. I'd like to add a little friendly competition among the chapters. I am putting out a challenge to all Arrowmen of Kon Wapos Lodge to have their Kon Wapos Lodge flap on their uniform shirt. The lodge provided a charter member flap to all members who were current with their dues. Members newly inducted this year, were given a charter member patch. The regular flaps and charter member flaps have been available for sale at all lodge events and at camp this year. Everyone should have a lodge flap. If you do not already have the Kon Wapos flap on your uniform, my challenge to you is to get it on your uniform. We will recognize the chapter or chapters with the highest percentage of members wearing their Kon Wapos lodge flaps at the Fall Conclave. Ideally, we should have 100% for every chapter. Every chapter can win. As an added bonus, I will have something for any Kon Wapos member attending the Section Conclave at Bear Paw and wearing their Kon Wapos lodge flap. Now there's another reason to join us at Bear Paw in September for the Section Conclave. If you are looking for more fun and fellowship, then make plans to join the Kon Wapos Lodge contingent heading to the National Order of the Arrow Conference in 2015 at Michigan State University. We'll have a special edition flap for you to proudly wear at NOAC. You can sign up for Section Conclave, Fall Conclave and NOAC by going to the OA page on the Bay-Lakes website. Go to: <http://www.baylakesbsa.org/oa/52785> See you at Section Conclave, Fall Conclave and NOAC!

## Staff Adviser's Minute

It is a sad fact, but with Labor Day around the corner and school starting soon, summer is almost over. Hopefully you had the chance to have some great adventures this summer. As a lodge we had a number of Arrowmen do just that. Some of our brothers took advantage of OA High Adventure with Philmont Trial Crew, Summit Corp., and ArrowPower 2014.

On a more local level, Arrowmen joined their brothers at our Spring and Fall Conference's. During this time we performed over 5,300 hours of service to our camps. We also had 379 new members complete their Ordeal, and 174 seal their membership, by completing Brotherhood.

Don't worry, if you missed out on some of the fun this summer there are still some fun OA events this year. Section C-1b Conclave will be at Bear Paw September 12-14, and we are looking for Arrowmen help out as we are the Host Lodge. We also have our Fall Conclave October 17-19 that will have some training, officer elections, and of course fun. You can find more details about these events and more here in the Natowa or on the OA page of the Bay-Lakes website.

# Communication Corner

## Communications Corner

What time is it?! BEGINNING OF THE SCHOOL YEAR!!! With a new year, come new challenges, new experiences, and maybe even new friends. I firmly believe that everything we do in life requires communication; whether that is between ourselves and God, friends, employers, Scout leaders, teachers, or our parents. Don't forget that the skills you learn in Scouting are supposed to make an impact on you in your every day life!!

One of the important goals in life is to always improve and learn from our mistakes. This past year of Scouting was a huge change for us as a Lodge. Many outings, meetings, awards, and people were new. Going into our second year as Kon Wapos Lodge, it is important to keep our momentum going as we keep moving forward. As one of the largest lodges in the nation, we have a responsibility to achieve excellence in our programs and service throughout the year. The leadership we have had, have currently, and will have in the future rests in our hands, right here, right now! In the next month, maybe begin a small reflection of our first year as a Lodge. What things should we Start doing? What things should we Stop doing? What things should we Continue to do? If you come up with some great ideas, feel free to share them to the Lodge Secretary or Lodge Chief. There is always room for improvement and ideas! Good Luck in the new school year, and have a great year for Scouting!!!

Yours in the Brotherhood,

**Zachary Galante**, Communications Chairman
