Clean area along walkways & canals.

Just need to show up day of scheduled event gam - Noon.

Dates listed on website www.canalwaters.org,

3rd Sat of month

2. Set up own work party with Amy Glowacki, Volunteer Program Manager

(978-275-1740 or lowe_vips@nps.gov)

for Sat/Sun of Choice & Project of Choice including:

Paint picket fence on Dutton Street- just outside of NPS Visitor Center

Paint picket fence on Broadway Street- roadside not canal side

Paint railing at Cadillac Park.

Several NPS Locales need raking/weeding/sweeping/trimming and/or debris pickup.

NPS Rep will only be present at beginning and end of event.

The BSA National Public Lands Day Program requires participation in NPLD Event and can be purchased through local scout shop.

The NPS Scout Ranger Program requires 5hrs service/education for the Certificate and 10 hrs service/education for the Emblem. The program includes time spent at *any* national park service learning about their program as well as performing some service. Scouts are encouraged to visit other local National Parks as part of the Ranger Program.

Certificates can be downloaded on honor system at NPS "Scout Ranger Program" website.

Activity Sheets are available on same website.

For Free Emblems, Tally Sheets need to be submitted to Amy Glowacki, Volunteer Program Manager at lowe_vips@nps.gov.
