

Wawa Porch Sales Rules

Due to the large volume of requests received, we are only able to approve this one request per calendar year.

Please note and share this information with all groups within your Council:

- Solicitations must be at least ten (10) feet away from any door of the store as designated by General Manager
- A maximum of 4 people at any one time-at least 1 adult if there are minors -- Minors must ALWAYS be accompanied by adults
- Group uniforms/identification must be worn
- To protect solicitors, if there are no safety bollards, your vehicle must be parked in a space directly in front of your collection area excluding handicap or non-designated parking spaces, and remain there for the duration of the activity
- **Duration of activity must not exceed four day light hours, 10:00 a.m. until 2:00 p.m**
- Solicitations may not be conducted in an aggressive or confrontational manner
- Smoking is prohibited while soliciting customers
- Porch area must not be blocked in a way that interferes with our customers' ability to access our stores quickly

Please communicate this Council level arrangement with all Service Units to avoid having leaders contact Wawa directly. This list was recently updated, if a store is NOT on the list then it does NOT allow porch sales for safety reasons. Please be sure this is communicated effectively. No individual sales will be approved outside of the Council level arrangement, thanks.
