# **University of Scouting 2013 Course Catalog**

February 9, 2013 • 8:30am to 1:30pm

1000 N. Main St., Orem, Utah 84057

2013

Fellow Scouts and Scouters:

On behalf of the Utah National Parks Council, we would like to extend a personal invitation to you to attend the 2013 University of Scouting. Each member of our staff has risen to the challenge of providing outstanding course offerings to bring you relevant, useful and interesting topics. Our staff has also worked very hard to include course content that is suitable, appropriate and exciting for our adult leaders.

This is the inaugural year of the University of Scouting in the Utah National Parks Council and we're excited for this year's courses! Please take the time to browse each college's offering, even if you think there may be nothing there for you. We've tried to make this catalog easy to read and understand, and more handy when planning your time with us.

As co-chairs of this great event, we would like to extend our heartfelt thanks and appreciation to this year's Keynote Speaker from National BSA, Mark Griffin, our hardworking instructors, Deans and administrative staff. We appreciate your dedication and great efforts! Our Deans have worked tirelessly to select excellent course content, refine the schedules and recruit the best instructors possible. Our instructors are passionate about Scouting and about improving the program for our youth, and it shows in the way they deliver the program. Our administrative staff work for months making sure those things we all take for granted are working for us when we arrive. We also offer grateful thanks to the LDS Orem 120<sup>th</sup> Ward for making this venue available to us.

If you've never attended a University of Scouting, then 2013 is the year to begin! If you are a veteran of Scouting, then you can expect an event that is bigger and better than ever. We look forward to greeting each and every one of you in February!

Scott Anderson & Kent Hansen  
Co-Chairs, University of Scouting

### KEYNOTE SPEAKER

**Mark Griffith**

BSA National Team Leader

Volunteer Training

*“New Developments and Changes  
from BSA National”*

### Vision, Mission and Organization

Our VISION is to provide you with the best possible opportunity to improve your capability and skillset as a Scout leader and improve your productivity so that you may accomplish more in less time. The motivation is our desire to provide the highest possible quality scouting experience for our youth.

To accomplish our vision our mission is to provide Utah Scouters and Scouts a distinctive educational experience including a broad array of introductory, supplemental, and advanced training for all Boy Scouts of America (BSA) adult leader positions in support of every youth program. As such, we hope to provide the most comprehensive range of training courses of any BSA training venue in the region.

The Utah National Parks Council University of Scouting (UoS) course offerings are organized into six colleges. Each college provides unique support of their respective area and is chaired by a Dean who is responsible for courses and instructors in their respective area. Additionally, the UoS hosts a University Midway where participants will find organizations (profit, not-for-profit, service and community based) which support the Boy Scouts of America.

For the year 2013 we have the following areas:

1. College of Boy Scouting
2. College of Varsity Scouting
3. College of Venturing
4. College of Advancement
5. College of Training
6. College of General Studies
7. University Midway

### Registration

Registration can be done online at [www.UtahScouts.org/uos](http://www.UtahScouts.org/uos) or by filling out the registration form at the end of this catalog and bringing/ mailing it to the UNPC Scout office in Orem.

### Lunch

Lunch will be provided from 11:50am – 12:20pm. Drawings and prizes will be given out at this time!

### Course Evaluations

Please turn in all course and University of Scouting evaluations at the Registration Hall where you checked in. The 2013 University of Scouting commemorative patch will be given to you when you turn in your evaluation. We strive for excellence and your constructive feedback will ensure we do better next year!

## **University Midway**

Utah National Parks Council recognizes there are a number of companies in Utah who work hand-in-hand with the Boy Scouts of America. We have invited a number of these companies to attend and will provide an opportunity for you to visit, learn about their mission and, in the case of retailers, have an opportunity to learn about special product promotions. Community-based and service organizations will be on hand so you may learn how you or your scouts may partner with them to serve the needs of the communities in Utah.

All exhibits for profit, not-for-profit, service, and community-based organizations have been consolidated into one location for easy viewing and visiting.

With the additional lunch period more opportunities exist to visit the Midway and be sure to visit the BSA Scout Store, immediately adjacent to the Midway, which will have several products available for purchase and the latest and greatest in BSA official gear, uniforms, gifts and other merchandise. It would be great if we could buy them completely out of all their merchandise!

## **Prize Drawings**

During lunch, there will be some awesome prize drawings for some great gear from local vendors that have donated their wares to this great event. Thank you vendors!

## **What to Wear**

The full BSA uniform associated with your unit program (Class A) is the expected dress code for all UoS participants. Neckerchiefs are optional. Adults who are not uniformed leaders should wear business casual attire.

## **Participant Responsibilities**

Thank you for your dedication to effective Scouting. Your participation in this training event illustrates that you care about the quality of the Scouting program that you are able to deliver for the youth whom you serve. The ability of Scouting to make a difference for our youth depends on volunteers like you who participate in training programs to seek broader knowledge and continual improvement. This event provides the broadest variety of Scouting course offerings under one roof available for Scouters and Scouts in our area.

Please enjoy your visit with us today. Absorb all that you can, and then relay what you have learned back to your units, districts, and councils. This is your primary responsibility as a University of Scouting participant. But please don't stop there. Scouting needs you to help our program be even more effective next year. There are three key ways that YOU can help. As a University of Scouting participant, we have the following requests to ask of you.

### **#1: Feedback is a gift**

Your feedback for each class taken and for the University of Scouting as a whole helps to guide the staff to further improve the program for next year. Any and all constructive feedback is greatly appreciated. Please use the evaluation form to let us know what you liked and what you didn't. The gift of your feedback enables us to ensure that we continue to meet your needs as a Scouting leader.

### **#2: Get the word out**

Did you know that it takes almost the same time for the staff to prepare this event whether we draw 100 or 2000 participants? Or that it takes our instructors the same time to prepare whether 1 or 125 participants register for the class? Therefore, the effectiveness of this event to have a positive impact on Scouting is directly proportional to the number of seats filled in the classrooms. YOU are our best channel for promotion.

We anticipate your experience with us today will be positive and rewarding. Please share that with your Scouting colleagues and encourage them to come with you next year.

### **#3: Share what you know**

What's the difference between a faculty or staff member and a class participant? NOTHING! We are all Scouting volunteers. All staff members have "real" Scouting jobs just like you. Okay, maybe there IS one difference – the faculty or staff member stepped up to share their Scouting experiences or other talents to help the rest of us be more successful. YOU could be a part of this team. There are always positions open for instructors, registration, facilities, food service, midway, communications, administration, and on and on. Want to be part of this highly motivated, highly effective team? Contact the Chancellor for more information on potential opportunities. We're sure we can find a good fit for you on our staff. Or maybe you have a great idea for a course you'd love to develop and present. Whatever your talent is we can probably put it to good use here at the University. Our program and participants will benefit, but so will your leadership and communication skills.

Planning for the 2014 University of Scouting has already started. Contact the University of Scouting Chancellor at UoSUT@ymail.com to become involved in this adventure.

### **Code of Conduct**

All participants, staff and guests are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Tobacco, alcohol and use of illegal drugs are strictly forbidden. Remember that we are guests at our venue. Scouts (and scouters) always leave their environment better than they found it and we encourage everyone to clean up after themselves and others. Youth protection measures are in affect at all times.

### **Cell Phone Policy**

Cell phone courtesy is expected at all times. Texting during class is prohibited and phones must be on vibrate only mode. If you absolutely must take a call, please exit the class discretely. Note that the UoS staff does use their cell phones for urgent communications during the event. This is a key to our event day communications.

### **Identification Policy**

Every UoS participant must be registered and must wear their identification tag picked up at the Check-In desk. Please remember that we do not do walk-in registration and that our on-line registration closes on Sunday, February 3rd.

### **Youth Policy**

The UNPC University of Scouting is a Boy Scouts of America training program designed for adult leaders. There is no program for children or childcare facility, and participation of youth in UoS classes and ancillary activities is not appropriate. Thus, children are not eligible to attend the UoS, and UoS participants are not to bring children to the UoS event.

### **Refund Policy**

Event fees are final except in a limited number of circumstances where a partial refund may be granted.

### **Policy Observance**

By registering to participate in the UoS, you agree to abide by the above policies. Any concerns should be discussed with the UoS Chancellor. The Chancellor can be contacted via e-mail at UoSUT@ymail.com.
