

# Range Safety Officer Course

BSA *Guide to Safe Scouting* states: All shooting activities must have a certified NRA Range Safety Officer directly supervising all live fire on the range. Additionally, the instruction offered must be done by a currently certified NRA (discipline specific, i.e. Shotgun, Rifle, Muzzleloading Rifle, and for Venturing only, Pistol) Instructor. These must be two separate individuals.

The Range Safety Officer course is designed to develop NRA Certified Range Safety Officers who possess the knowledge, skills, and attitudes essential to organizing, conducting, and supervising safe shooting activities and range operations.
