

## **\$5 Arizona Hunting and Fishing License Spring Turkey Hunting Opportunity**

In recognition of you accomplishing the rank of Eagle Scout, the Arizona Game and Fish Department is offering a discounted annual Youth Combination Hunting and Fishing license.

The special Honorary Scout license (class F) is only \$5. It is available to Eagle Scouts that are Arizona residents and 20 years old or younger.

Not only will you get hunting and fishing privileges for the next calendar year, a true passport to outdoor adventures, the program includes a free membership with one of the partnering conservation organizations. These groups are a great resource to help you learn even more about hunting, fishing, wildlife conservation, and the state's natural resources.

Additionally, many of these organizations are looking for members with the skills and dedication that an Eagle Scout possesses. Joining the ranks of these influential organizations is another way to grow your leadership skills through the conservation the state's natural resources and wildlife.

Honorary Scout Licenses are available at any of the seven Arizona Game and Fish Department offices in Phoenix, Mesa, Tucson, Flagstaff, Kingman, Pinetop, or Yuma. For details and more information, visit [www.azgfd.gov/eservices/licenses.shtml](http://www.azgfd.gov/eservices/licenses.shtml).

This program is also available to Girl Scouts who have achieved the "Gold Award."

### **Upcoming hunting opportunity:**

Are you interested in learning how to hunt wild turkeys? Then check out the Game and Fish Department's mentored spring turkey hunting camps taking place, April 20-22, 2012. The camps will be located in Flagstaff, Payson, and Alpine. Spring turkey hunting is very cool. A hunting tag costs only \$10 too. For those that rather not hunt, these events will have plenty of other activities including target shooting, fishing, and wildlife biology and they are a great way to see how the partnering groups of the honorary license work with the public and conservation. For details and information, visit [www.azgfd.gov/outdoorskills](http://www.azgfd.gov/outdoorskills) under April events.

### **Partnering Conservation Organizations:**

#### **[Arizona Elk Society](#)**

Committed to conserving and enhancing wildlife habitat in Arizona; protecting and promoting our hunting heritage; implementing special programs for youth education regarding conservation; informing the public about issues concerning wildlife conservation; as well as scientific and biological wildlife and habitat management.

#### **[Arizona Flycasters Club](#)**

Dedicated to the promotion, preservation and improvement of fly-fishing. The club is affiliated with the Federation of Fly Fishers (FFF), an international organizations for fly-fishers.

#### **[National Wild Turkey Federation](#) – Arizona State Chapter**

Dedicated to working with other organizations and government agencies, conservation projects that benefit all wildlife; programs to introduce children, women, persons with disabilities and those with no hunting experience to the outdoors; and programs that protect and preserve our ability to hunt.

**[Northern Arizona Flycasters Club](#)**

Dedicated to the promotion, education, preservation, and enhancement of our fishing resource through the sport of fly-fishing.

**[Southern Arizona Wildlife Callers](#)**

To promote safety, fellowship and sportsmanship in calling predator animals and other forms of wildlife with manually operated or electronic calls as a recognized sport ,and to promote the wise use of our natural resources to insure their availability for future generations.
