

POWERED BY POPCORN, POWERED BY YOU!

Powered by Popcorn, Powered by You!

Popcorn is coming and Council Kernel Adrienne Rubin is Popping with excitement about this year's sale! Popcorn enables your unit to do the things you want without having to do numerous fund raisers. By selling popcorn in the fall, it can support the entire year of scouting for your unit. Not only does it help raise funds for your unit but there are plenty of rewards for your scouts as well. Dens and patrols can earn prizes, gift cards, scholarship money, and for all scouts who sell \$600 or more, they can get their very own Sky Rockets set which consists of a foot launcher, 2 light-up night rockets, and 3 daytime rockets!

Information for the popcorn sale has been posted on the Popcorn page at www.buckscountybsa.org. You can find Leader's guides, prize information, order forms, leader power points, Wawa schedule and rules, and other helpful tools. Show and Sell Distribution will be on September 6th. Units that come the afternoon of Friday the 5th to help sort popcorn can take their order home at the end of the sorting. Here are the three warehouse locations where you can pick up your order. Specific information about pickup times will be mailed to Unit Kernels

Bucks units- Gamburg Furniture Warehouse- 200 Park Ave, Warminster PA

Hunterdon units- General Pallet- 97 River Rd, Flemington NJ

Mercer units- RA Nichols building- 2682 Rt 130 North, Cranbury NJ
